

Sports Funding Impact Report – Hollinsclough CE Academy 2015 - 2016

Amount of grant received: £8100

Area of Focus	Amount spent	Impact	Sustainability
Curriculum Development	£3850	Packs of resources for all members of staff and coaches have been put together to meet requirements of new NC curriculum and assessment. PE challenge booklets have been developed across the school to support the assessment of PE and achievement of wider outcomes as part of our flexi school system.	Resources will be available to use in future years for staff. Challenge booklets will be trailed and continued to be developed so that they can be used throughout the school.
Staff Development	£1250	As a result of attending various CPD activities staff confidence has increased and they have been using these ideas and resources within lessons to improve outcomes for pupils.	Staff increased knowledge will be sustained in future years by continuing to use the ideas and resources within lessons.
Wider Curriculum	£3000	An outdoor development week has been planned and implemented looking at different enrichment challenges and learning for pupils that has allowed them to experience new skills and find things they love doing	This week will now be built upon in future years and embedded into the schools offer for pupils around PE and sport. Pupils will have developed an interest in certain activities that they will be able to enjoy in the future and developed key life skills they will use in other areas.
