

## Mathematics

All about me based activities (e.g. how many fingers do we have)

Numbers 1-5 and 1-10 and number recognition

Size sorting and measuring different things (e.g. hands, feet, bodies)

Simon says game

## Personal, Social and Emotional

Talk about likes and dislikes

Talk about our families and friends and people who are important to us. How do they make us feel?

Favourite things (such as food, place, toy)

What makes us happy and sad?

Talk about each other and similarities and differences

## Communication and Language

New language- Likes, dislikes, family, friends, home, myself

Singing- if you're happy and you know it (change and add in feelings and expressions e.g. if you're tired and you know it, give a yawn)

Stories about different people, their jobs, hobbies, emotions and families

Talk about people from other countries and how our lives are different from theirs

# Marvellous Me

## Literacy

Ask the children to bring in their favourite books and share the with the class

Make a topic book all about themselves

Letter rubbings, cut them out and spell their names

## Physical Development

Getting to know our senses- taste testing, closing eyes, what can we hear? Sensory play  
Paint the inside of an egg box different colours, can you find something the same colour?

Can I?... Hop? Jump? Skip?  
Heads, shoulders knees and toes song- naming parts of the body

## Expressive Art and Design

'Me on the map' globe  
Make a house with windows and doors that open and fill them with pictures of family and friends  
Create a puzzle from photos of children's faces  
Make a face from different face parts from a magazine

## Role play

My house and have a phone book with numbers of different characters

## Understanding the world

Create a 'Me on the map' globe  
Make a house with windows and doors that open and fill them with pictures of family and friends  
Create a puzzle from photos of children's faces  
Make a face from different face parts from a magazine  
Look at people from different countries, what do they look like? Their houses? Pets? Toys? Clothes? Languages?
